The Monthly Newsletter of Faith United Methodist Church August, 2018

August 2018

Greetings,

As the month of August begins and summer keeps rolling along the pastor's letter always presents a challenge for me. There are a whole lot of things that can be written about but where does one begin?

Recently, there has been a lot of news about the Carr Fire in California. The news reports say that the wind(s) and dryness has caused these fires to spread and increase in their destruction. I started looking at the pictures of this on line and on television and I cannot begin to process what this must be like. The heat, smoke, loss of possessions, family, and home, when will it stop? As I was thinking about all of this it reminded me of a Proverb I had read. It was Proverbs 30:15-16. It says, "...There are three things that are never satisfied, four that never say 'Enough!': the grave, the barren womb, land, which is never satisfied with water and fire, which never says, 'Enough!' "

Indeed, I do not know of a fire that says to itself I think I have done enough destruction and it is time to quit. It usually takes a trained firefighter to take care of this. What I have learned or observed from this is that our lives can be like fire sometimes too. We are never satisfied and keep doing and searching for things that are destructive and in the end burn our-self out or lead to death.

In the midst of all this is a call to come back to scripture, read our Bible, and put our complete trust in God. Because his word is true. Or, as Matthew 5:3 (the first beatitude) says, blessed or happy are the poor in spirit for theirs is the kingdom of heaven." This happens when we repent of our sin and put our whole trust in Jesus Christ and no one else.

Things might be going up in smoke around us. However, surrendering all to Jesus will and depending on him will save us from eternity of fire.

See you in church,

Pastor Tim

If the church office sends you a email with an attachment and you cannot open it, send me an email right away, that way I can try and fix each individual email account. If I don't hear from you, I am going to assume you are able to open the attachment. If you have any questions, or concerns, please let me know. I'm sorry for the problem this is causing, but until Outlook/Windows makes a change in their software, I have no other way of fixing the problem. Thank you for your patience. Bev

Who Has Seen the Wind?

Theme: No one has seen God, but we can know that He is there.

Scripture: No one has ever seen God; but if we love one another, God lives in us and his love is made complete in us. 1 John 4:12

How many of you like a windy day? The wind may spoil some activities, but one activity that can enjoy when the wind is blowing is flying a kite. How many of you have flown a kite? It is great fun to watch them soaring high into the sky. What is it that keeps the kite up there? It is the wind, isn't it? How many of you have ever seen the wind? That was a trick question! No one has seen the wind. You can't see the wind because it is invisible. Well, if you can't see the wind, how do you know that it is there?

First, you can know that the wind is there because you can see it moving things. (Take some bits of paper in your hand and blow them into the air.) You can see it moving the leaves on the trees and blowing bits of paper around. You can't see the wind, but you know it is there because you can see what the wind is doing.

You can know that the wind is there because you can feel it. (Blow onto the back of your hand.) You can feel it blowing against your face and you can feel it blowing through your hair. You can't see the wind, but you know it is there because you can feel it.

Finally, you can know the wind is there because you can hear it. When I wake up in the morning, I like to know if the wind is blowing. Sometimes I turn on the Weather Channel and check to see if it is blowing. There are some mornings that I don't even have to look at the TV. I can hear the wind whistling through the trees, down the chimney, and around the windows and doors. I can't see the wind, but I know it is there because I can hear it.

How many of you have ever seen God? The Bible says that no one has seen God. Well if we haven't seen him, how do we know he is there? I think we can know that he is there the same way we know the wind is there.

First, we can see Him moving. The Bible says that the Spirit of God moves men to speak and to do things for him. (2 Peter 1:21) We can't see God, but we can see men doing things that God's Holy Spirit has moved them to do.

We can know that God is there because we can feel His presence. The Bible says, "I will fear no evil for Thou art with me." (Psalm 23:4) The Bible also says that "if we love one another, God lives in us." We can't see God, but we know he is there because we can feel his presence in our life.

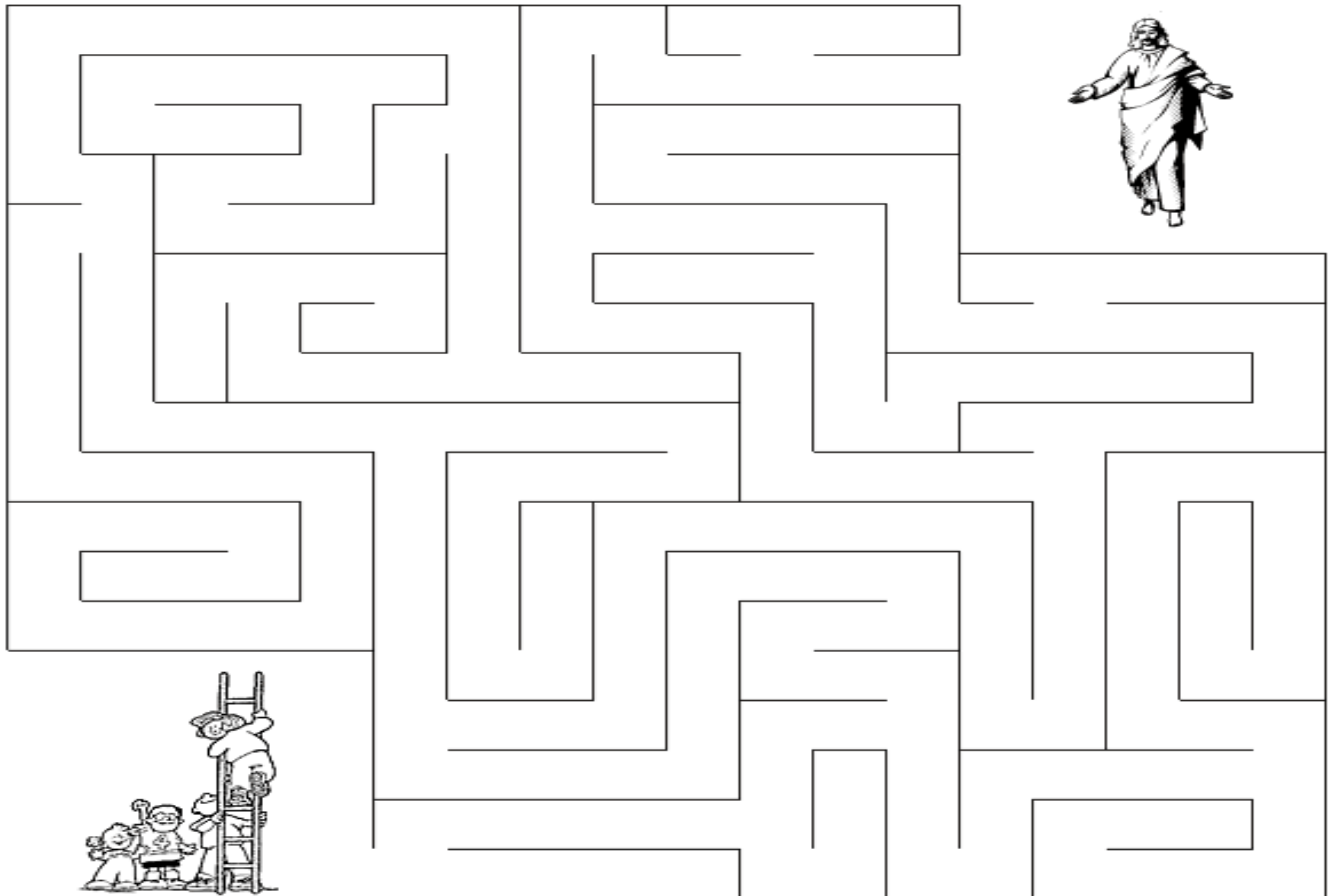

Finally, we can know He is there because we can hear him. The Bible says, "Behold, I stand at the door and knock, and if any man hears my voice and opens the door, I will come in to him." (Revelation 3:20) We can't see God, but we know he is there because he speaks to our hearts.

Lord, we can't see you, but we know you are there because we can see you moving, we can feel your presence, and we hear you speak to our hearts. Thank you for being there! In Jesus' name we pray. Amen
