Call to worship:

Leader: God is our refuge and strength, an ever-present help in trouble.

People: Therefore we will not fear, though the earth give way and the mountains fall into the heart of the sea, though its waters roar and foam and the mountains quake with their surging.

Leader: There is a river whose streams make glad the city of God, the holy place where the Most High dwells.

People: God is within her, she will not fall; God will help her at break of day.

Leader: Nations are in uproar, kingdoms fall; he lifts his voice, the earth melts.

People: The Lord Almighty is with us; the God of Jacob is our fortress.

All: He says, “Be still, and know that I am God; I will be exalted among the nations, I will be exalted in the earth.”
