### PILLARS DONATION DRIVE DURING THE HOLIDAY SEASON

Each year, nearly 2,000 people benefit from Pillars crisis shelter and supportive/affordable housing programs, including street outreach, crisis housing, case management and diversion from homelessness. Together, we are rebuilding lives and strengthening our community. Our “Christmas giving trees are set up, with the “gift wish” list on them. Please help the Pillars by purchasing a gift from the ornaments that are on our Giving Trees. We will need helpers to take over our gifts to the Pillars in Appleton. Financial gifts are also a way to support Pillars’ clients! If you would prefer you could support Pillars—financially. All financial donations given in the month of December will be matched by SECURA.

**Save the Date! 91.9FM The Family Radio Network’s Help for the Homeless Hygiene Drive Feb. 11 – March 3, 2024** Last spring, 927 area businesses, churches and schools hosted collection boxes and encouraged their staff, clients, members, and students to donate hygiene and cleaning supplies for their local shelters and crisis programs through [The Family Radio Network’s 31st annual Help for the Homeless Hygiene Drive](#). Their donations totaled \$665,000 worth of supplies for 101 local crisis programs in 19 communities.

Welcome to Faith Church! We are glad you came to join us in our time of worship today. We pray that you will be blessed with strength enough to see you on your way, hope enough to get you through the day! With your bulletin today is a pen and welcome card and an offering envelope. Please complete the card and, after the worship service, place it in one of the baskets found in the Narthex. The pen is yours to keep. If you have been using the envelopes and there are no changes, you can just write your full name on the inside cover of the envelope. If this is the first time with using the envelope be sure to complete the inside cover completely. The envelopes and cards are separated in the church office with the office staff getting the welcome cards and the offering envelopes are given to the finance team. When changes occur, by completing both the card and your envelope, the computer systems can be updated.
